Results That Remain, Are Appreciated by Norway People. Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Norway.

Here is the testimony of one who used Doan's Kidney Pills years ago and now makes his testimony even stronger. M. M. Kilgore, Danforth St., Norway, says: "I had backache and rheumatic pains for more than a year, caused by disordered kidneys. My kidneys acted irregularly and I was so lame and sore across the small of my back I could hardly stand. At night I rested but little and was feeling miserable most of the time. I finally got Doan's Kidney Pills at F. P. Stone's Drug Store and a few boxes cured me." (Statement given July 24, 1908).

PERMANENT RESULTS, On July 7, 1916, Mr. Kilgore said: "I gladly recommend Doan's Kidney Pills again as I am still a firm believer in them. The cure Doan's gave me has proven permanent."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kilgore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

WEST PARIS

Commencement Week

The Commencement exercises of last week all passed off successfully and pleasantly. The senior exercises last Wednesday evening at Centennial Hall was a pleasant affair. The hall was decorated with green and white flowers and furnished with rugs, tables and chairs to make it look like one big living room.

In the receiving line were Mr. and Mrs. A. D. Park of South Paris, Principal Mrs. D. J. Pitts and Asst. Mrs. Hall and the five seniors, Marjorie McAllister, Edith Stevens, Frank Packard, George Metcalf and Sherman Billings. After the reception a good program was given. Games and ice cream followed.

Thursday afternoon: In the primary room Miss Spiller gave a very excellent program with her little folks of songs, plays and recitations. The intermediate and grammar rooms were invited, also the teachers from the high school and parents and friends and the seating room was all occupied. At the closing of the program, Supt. Joy addressed the school and in closing presented the teacher with a fine gold neck chain and pendant set with a beautiful Mt. Mica tourmaline and pearls which their parents. This was a very great surprise to Miss Spiller and words to express her thanks were very hard to say.

Other visitors made remarks and then some of the parents, who had prepared a large quantity of ice cream and cake, treated the whole company. Altogether it was a very pleasant afternoon.

Thursday evening: The High School class exercises in Grange Hall were listened to by a crowded house. The class colors, green and white, were the stage decoration colors. The class motto "Safe on First, Now Secure" with green letters on white arch back ground were over the front of the stage also bouquets of green and white flowers and ferns. The hall there was decorated in the national colors.

There was also a bouquet of the allied flags, British, French, Italian and U. S., which Edith Stevens used in illustration of the "History of the United States".

Seated on the stage were Mrs. Pitts, Asst. Mrs. Hall, Hon. A. C. Wheeler, E. R. Penley, Rev. H. A. Markley, Rev. E. H. Hathaway and the class of five seniors. The class parts were admirably well done and honor surely is due them and their teachers for the good work manifested by these, the second A. C. Wheeler presented the diplomas and made a very excellent presentation speech. Music by the school orchestra.

Friday: The High School teachers and friends went to Bryant's Pond to E. J. Mann's camp, "Idylwild" and had a nice time.

Friday afternoon: The Grammar School graduation exercises took place at the schoolhouse. What these youngsters did is hard to find words expressive enough. There were 17 in the class of Junior High, who will be the High School freshmen next fall. The program consisted of original essays, recitations, songs, solos and class parts, all done in a surprisingly excellent manner. No prompt caused a bit of hesitancy, they used each other that meant the same and went on with the calm concern of an experienced speaker. Most of the chorus and part songs were without accompaniment.

Olga McKee was accompanist on some boys' chorus with his violin. Evelyn Small sang a solo that was very sweet and pretty. Look for the full program next week. Ethel Brock deserves the praise for this performance. Supt. Joy presented the diplomas. Quite a lot of visitors.

Friday evening the first alumni banquet was held at Centennial Hall. Onward Rebekah Lodge served the supper which was reported "all right," "big eat," etc. A fine program was given of music, speeches and readings, which was greatly enjoyed. Clarence Ridlon was "toast master" and a good lot of jesting, stories, and pleasantries were enjoyed. Mrs. Chester Briggs sang a solo, Alice Barden and Edith Stevens, piano solos. After the various toasts, etc., all gathered around the piano and sang old songs.

Saturday: The closing feature of the week was a ball game, W. F. H. S. vs. the Bridgton High.

The school paper, "The Nautilus" was on sale Thursday evening. It is a very fine number and contains the class parts and pictures and entirely gotten up by the High School except a poem by Dr. F. B. Wheeler, "The Night Before Christmas in Dax." Every copy was sold that night and more wanted.

Rev. H. A. Markley attended a funeral in Bethel, Friday, and at Black Mountain, Saturday.

Arthur Flavin returned home from overseas last week, Thursday. It was a pleasant surprise to his family and friends. He enlisted in his family and in 1917 and since the war has been engaged in Red Cross work. He expected to go to Southern Russia and Palestine but on account of fighting there, it was thought best not to push the Red Cross work any farther at present so he, with others, were sent home.

Mrs. Diana Wall Pitts, after five years able service in the high school here, has resigned her position as principal. She did not expect to come back for this last year, but Mr. Pitts being in the service, she had a telegram just as she was returning home to Rockport from her mother's home at Farmington and Mildred Davis, who has just graduated there, have returned there.

Mrs. Henry Brock's hand improved so much that she was able to go to Farmington Wednesday and be present to the class exercises Thursday and returned to her daughter, Grace, on Friday.

Clara Bacon, who has been teaching at Farmington and Mildred Davis, who has just graduated there, have returned there.
